

Wednesday, September 16

Last Time:

- Arbitrary changes in U (non-ideal things)
- Enthalpy and C_p
- A brief diversion into thermochemistry

Today:

- More on thermochemistry: phase transitions
- Practice problems: working with enthalpy

Readings:

- Levine 5.1-5.6, 3.1–3.2

Handouts: Practice problems

Reminders:

- Office Hours: M 3–4:30, R 2–4
